

WHAT IS THE **SUNRISE MOVEMENT**

MAO'S
RED GUARD
RESURRECTED

COURAGEISAHABIT.ORG

WHO ARE THEY?

An army of **radicalized young missionaries** who believe America is oppressive and needs to be dismantled. They are the intended creation of Social Emotional Learning in K-12 and a resurrection of Mao Zedong's **RED GUARD**.

COURAGEISAHABIT.ORG

WHAT ARE THEIR GOALS?

COURAGEISAHABIT.ORG

They use the pretext of a **climate crisis** to push their agenda, which includes critical race theory, gender ideology, sexualization of children, and eroding parental rights and age of consent.

- **Utilize “Green New Deal”** as a form of racial reparations, to abolish police and expand welfare services.
- **Eradicate Capitalism** and distribute goods & services by government allowance.
- **Create a newly unionized workforce** where employment will focus on the socio-economically disadvantaged regardless of citizenship status.

The Sunrise Movement in schools will amplify what Social Emotional Learning has already established, creating a powerhouse army to **destroy America**.

WHY SHOULD PARENTS CARE?

Sunrise Movement is working nationwide with over 50 high schools to launch the **“Green New Deal for Schools Campaign.”**

On September 2023 Rep. Jamaal Bowman introduced the “Green New Deal for Public Schools Act of 2023”; **H.R. 5784 would provide \$1.6 trillion to public schools to implement mandated Climate Crisis Curriculum.** (This bill was originally introduced in 2021 and re-introduced in late 2023).

“It’s time for us to take over, classroom by classroom, school by school, city by city.”

“If we can remake our schools to take on the greatest crisis we’ve ever seen, we will pave the way for the rest of society to follow.”

BREAKING: Young people have taken over the Hilton in NYC where ICE agents are staying.

We will not stand by while @HiltonHotels houses ICE in our city. As long as Hilton chooses to host fascists, we will disrupt their operations.

SHUT DOWN HILTON

SHUT DOWN HILTON

The MOST impactful thing you can do to get at ICE from the confinements of your own home, is to go after their pockets. We are making and cancelling reservations to shut these hotels down until they stop housing ICE.

We are targeting these 7 Hilton Minneapolis locations with confirmed ICE presence:

- Home2Suites by Hilton, Minneapolis University, 2808 University Ave SE, (612) 473-4662
- Hilton Minneapolis Airport, 3800 American Blvd E (952) 854-2100
- Hampton Inn Eagan, 3000 Eagan Dale Place, (651) 688-3343
- Hilton Garden Inn, Minneapolis Airport-MOA, 1601 American Blvd E (952) 854-1687
- Home2Suites Egan, 3939 Cedar Grove Pkwy (612) 567-5810
- Home2Suites Brooklyn Park, 9490 W Broadway (763) 567-5810
- Doubletree Roseville, 2540 Cleveland Ave (651) 636-4567

How to participate:

1. Select a Minneapolis area Hilton above to make a reservation with;
2. Book a flexible rate room with free cancellation about 5 - 7 days from now [if a hotel is booked for the next 3 weeks, move to the next option]
3. Set an alarm / notification to cancel an hour or so before your free cancellation option expires. We will send you a reminder email in 3 days to cancel your reservation.
4. Cancel the reservation - ideally over the phone and say "I no longer want to stay at a Hilton hotel after the corporate office doubled down on housing ICE agents"
