One Minute **SUMMARY**

WHO IS ASCA?

American School Counselor Association. They provide training and mission objectives to K-12 School Counselors.

WHERE IS ASCA LOCATED?

Headquarters is in Virginia. Chapters in all 50 states.

WHO IS JENNIFER SUSKO?

- Elementary School Counselor
- [RAMP](#) Lead & Award Recipient
- ASCA Diversity, Inclusion & Equity Committee
- ASCA Antiracism Subcommittee

WHY SHOULD PARENTS CARE?

Jennifer claims that CRT is crucial to support ALL students. It turns out, she is the most racist radical in ASCA that we have come across so far (and that's saying a lot).

Susko Being A Racist

delete white friends

@JSusko26

I know I'm not supposed to delete white "friends," but strong urge to purge anyone posting totally random, silly stuff right now. [#BLM](#)

I know a thing or 2 about those white parents making baseless claims. Hope to keep see them losing.

And those folx are also fine with teachers telling kids about the hetero relationship they're in. No angry **white parents** complaining about a male teacher mentioning his wife or a cis woman who's an educator having pictures of her husband etc.

@JSusko26

To any shocked white parents or legislators who see that I'll teach kids that the US is systemically racist until it's not, please refer to your fave orator, Dr. MLK, when he talks about JUST versus UNJUST laws. (Hint: he tells us not to follow one kind). [#gapol](#)

Me, as a white woman, studying CRT to be a better school counselor to Black students through comprehension of the generational trauma and history of racism which impacts their mental health and I wouldn't fully understand without REAL Critical Race Theory is...the same as GRT. 🤔

Jennifer Susko @JSusko... · 1/19/22 ...
Dr. Simmons does this through [@Liberated_SEL](#)

Unfortunately, many Dems & media ruin things by arguing against GOP garbage by saying SEL has no antiracism component. Wrong! Educators ARE talking to students about sociopolitical topics bc it's how we help them grow.

Goodness. I've been wishing there was a way to get white ppl to know that when Black ppl say "we" & "y'all" #OnHere they are NOT talking to us! I also wonder if white ppl realize that if we're funny, it's bc we're copying Black ppl's comedic style & sense of humor 98% of the time

Jennifer Susko @J... · 7/14/17

And will not ever have that rise to their level of consciousness, unfortunately. (But I'll be yelling it into as many white ears as I can.) twitter.com/mspackyetti/st...

White people who talk to me gonna stop this quick. Take the man's name out ya mouth. (Like [@catchatweetdown](#) already said.)

Jennifer Susko @JSusko... · 3/16/17

Omg white people, let's take note. No need to get defensive or explain (Lord stop the explaining!). Just-fix it.

out ya mouth

White peoples: You would be surprised how often our opinion is not required. Resist the urge to give input.

Jennifer Susko @JSusk... · 9/20/16 ...

some white people won't wake up unless injustice hits one of their own. & I'm so angry-not sure I'd feel sadness for them. [#TerenceCrutcher](#)

White supremacists like M4L & this dude need to realize that lots of us have these students' backs. Call on me for whatever, y'all. ❤️

Georgia Youth Justice Coalit... · 9/3/22

Today, we received a racist essay in our inbox from a man who cc'ed Moms for Liberty to tattle on us for opposing white supremacy.

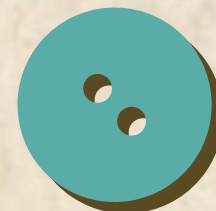

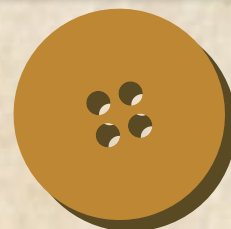

It's awfully telling that the biggest supporters of book banning, astroturfing orgs like M4L are blatantly racist.

You'd like black women to have the low self esteem white ppl try to instill in them. & it's uncomfortable for you to see them reject that.

I'm getting ready to 'buck the CRT ban' and 'throw down the gauntlet' again at ASCA 2022 but I'm kinda scared my flight to Austin will be canceled... 🤪👉

And listen here. Put Critical Race Theory champion on a plaque or eventually my tombstone! I'd be beyond honored for the Civil Rights geniuses of our time @sandylocks @nhannahjones etc. to see it, kthankssssss

Jennifer Susko @J... · 1/26/22

But would be WONDERFUL to get @DenaSimmons & @LiberatED_SEL elevated bc we DO need to incorporate antiracism into SEL. This whole "no 'CRT' is anywhere in schools!" IS NOT HELPING. Bc it's saying we don't address social emotional components of race & racism & that's silly. We do.
