

Subject: Public Records Request - Lean In Girls Leadership and Mental Health Curricula

To the Custodian of Records / School Board Secretary:

Pursuant to the <insert your state's public records act>, I am requesting an opportunity to inspect or obtain copies of public records that relate to the following:

1. Any contracts, memorandums of understanding, or agreements between the District and the following organizations: Lean In, the Sandberg Goldberg Bernthal Family Foundation, Girls Inc., or the American School Counselor Association (ASCA).
2. Any training materials, facilitator guides, handbooks, or slide decks related to the Lean In Girls curriculum or any Tier 2 intervention programs titled Confidence Counts.
3. All records, including emails and calendar invites, regarding school counselor training sessions or webinars hosted by Kelly Meredith or representatives of Lean In Girls.
4. Any District policies or guidance documents regarding the inclusion of nonbinary students in gender-specific counseling groups or the use of gender-neutral language (such as folks or leaders) in place of girls or boys.
5. Documentation of any "intersectional" or "identity" exercises used in counseling sessions that involve ranking students by social power or perceived privilege.

I request that these records be provided in electronic format. If there are any fees for searching or copying these records, please inform me if the cost will exceed \$20.

I look forward to your response within the statutory time limit.

Sincerely,

[Your Name]
